Jim Ebright '50

(2149 Boundary Dr., Santa Barbara, CA 93108-2262; jimebie1@mac.com) I am sorry to report the announcement of **James A. Rudy** on 7, 2009. Jim and his twin brother **Jack**, who predeceased him, both were Theta Delta brothers graduating in 1953.

Jim came to Santa Barbara many years ago with Heyer-Schulte Corp., loved sailing and was a commodore of the Santa Barbara Yacht Club. He is survived by his wife Joyce, two daughters and several grandchildren.

Mike Bastine '78 reports a new address: 10382 New Haven St., Ventura, CA 93004. You can also email him at meltb2@msn.com.

Tom Jordan '81

(3131 Custer Dr., Ste. 6, Lexington, KY 40517-4006; tom@lexingtonrelocation.com) Wish the best for Brother **Tom Wittich '81** as he recovers from his recent health problems. Our prayers and thoughts go out to him. Tom Wittich can be reached at P.O. Box 3146, Manhattan Beach, CA 90266-1146 or tomwittich@msn.com.

Mike Matthews '82

(17224 N.E. 129th Street, Redmond, WA 98052-1321)

I recently re-connected with several brothers at the OSU-Michigan game. Having lived in Seattle for the last 20 years, I have not had many opportunities to stay connected. The football game was great and it was a terrific opportunity to tailgate and see old friends. The hosts of the tailgate (**Mike Riley**, **Tony Iacovetta** and **Brent Hatch**) were the best hosts. They welcomed us to join them just as though we saw them last week. It really was nice knowing this fraternal connection had spanned the test of time. We saw the above mentioned brothers as well as **Dave Klein**, **Chuck Greene**, **Mark Jackson** and many others.

Nick Verdea '85

(4717 River Chase Ct., Edmond, OK 73025-2199; nverdea@yahoo.com) After having a LAD stent placement in June 2007, I got into running and have recently completed my 6th marathon in the past 18 months: Columbus, Boston, Tulsa, Dallas, Phoenix and Little Rock. Number seven is coming up in my hometown of OKC in April. We just dodged a tornado that hit our suburb of Emond, just north of Oklahoma City, this past February. I am currently the Director of Aviation and managing a flight department for The Midland Group in OKC and loving life with my wife of 21 years (a Theta Delta Beta brother's sister) and

our four children. If you are ever in the OKC area, look me up.

Brian Cook '96

(2236 Branch Creek Dr., Mount Pleasant, SC 29466; bcookx@yahoo.com) This is one of my favorites pictures from living in the Beta house. We had raided the thrift stores in preparation for a '70s themed party, and everyone was trying to outdo one other for the wildest '70s digs. **Jason Clancy '96** pulled the biggest shocker of the night. He came marching down the hallway in '70s attire...but dressed in drag. It couldn't be topped.

Pictured are **Brent LaCount '97**, **John Begley '97**, **Brian Cook '96**, **Jason Clancy '96**, **Darren Mock '96** and **Todd Camp**.
